Dear Mr. Couillard:

**Re: IN THE MATTER OF Alexion Pharmaceuticals Inc. and the medicine "Soliris"**  
**Our Reference: PMPR010**

The purpose of this letter is to request an extension of the time to deliver Board Staff's Reply to Alexion's Response to the Statement of Allegations.

On March 9, 2015, Board Staff received Alexion's Response to the Statement of Allegations. The Response is lengthy and Board Staff requires a brief extension of time to deliver its Reply. Board Staff requests an extension of 10 days such that its Reply would be delivered by April 10, 2015. Alexion has previously consented to Board Staff's request. We note that this extension will not affect the balance of the schedule, which provides that a case management conference will be held on or before April 30, 2015.

Please communicate Board Staff's request to the panel.

Yours very truly,
